

Prayer Page - March 2019.

Australia and New Zealand now share in the experience of deploring acts of terrorism. Today, we pray most especially for the people of ChristChurch , New Zealand.

The People of God together commend the souls of those killed by acts of terror into his merciful and loving presence.

We pray for all who have been severely injured . May the Holy Spirit of God be their support and Stay in all that they needs must endure.

We commend to the loving kindness of God all who mourn , whose hearts are torn in grief, and all who now suffer.

Light a candle before the Blessed Virgin Mary and pray that she will comfort all who suffer, by making known to them all the Power of the Risen Christ, the Redeemer of all Mankind.

Lord, have mercy upon us
Christ, have mercy upon us,
Lord, have mercy upon us

+O God, make speed to save us,
O Lord, make haste to help us.

Spirit of the Lord, we beseech thee to rest upon all who suffer,
Give to them the Spirit of Understanding;
Comfort to them with the Spirit of Counsel and of the Fear of
the Lord;

Make us spiritual in the fear of the Lord.

Amen
